WAIVER OF PLAYER OPTION TO PURCHASE SPORTS INSURANCE COVERAGE

You have the option to waive coverage under the FL Sports Activity Insurance. In deciding to waive coverage, you should be aware of the following information:

- You cannot submit injury claims to the Florida Sports Ministry or to the FL Youth and Young Adult Department.
- The option to purchase sports insurance coverage is open only during the basketball league registration period that runs from Aug 6 thru September 20, 2018. After this period, enrollment for coverage is closed.

I acknowledge that the FL Sports Ministry has offered me the opportunity to purchase sports insurance coverage for the period of the basketball league from October 2018 to March 2019, and I am choosing to decline the coverage.

I have read the information above. I understand the consequences of my waiver of coverage.
